I just spoke with Eugenia...Ed is on a scheduled call, but I had enough information to attempt to resolve the schedule for presentation of the EMBM...Ed volunteered to come back from SETAC a day early so the meeting could be held on the 15th...but Eugenia says Mark Velleux may not be available that day...so Eugenia picked the 19th as the best option...she will cal Earl to see if he can travel on Sunday the 18th...if not, perhpas she will suggest tying him in by phone. We discussed that it's likely we'll need the whole day.
